JPII Update #5: Coronavirus

Important Message from Mrs. Allin

March 13 - 12:30pm - JPII continues to closely monitor COVID-19 and is taking proactive measures to mitigate the potential impact of the virus. As directed by the Archdiocese of Seattle, we are making our operational decisions based on the health and safety of our students and in line with the decisions of our local public school district.

Therefore, on Monday, March 16, JPII will close until Friday, April 24. During the first two days of closure, faculty and staff will establish the distance learning environment. Between 3:00 pm and 8:00 pm on Tuesday, March 17, every student should log in to Schoology for more details and instruction on distance learning.

A note to our students from Mrs. Allin and Mr. Edwards: although we have prepared for this situation, we know that there are many questions and concerns on your mind. We are collecting information right now to answer those questions and support you. We ask that you please continue to monitor JPII's communications sites regularly for updates.

This situation is evolving quickly. Students, parents, faculty, and staff should monitor JPII communications channels for updates, including:

- Flash Alert
- JPII Email
- Schoology
- JPII website (our website has an updated Coronavirus page)
- Facebook

Blessings,

Therese Allin
Principal
