PARENTAL AGREEMENT

1. We agree that Pope John Paul II High School has full discretion in the academic placement of our student. Upon arrival at JP II, formal or informal testing may occur to assist in correct academic placement in JP II's college preparatory curriculum.
2. We understand that if, following the above evaluation, it is determined that our student has academic needs that cannot be met in the current school program the school reserves the right to terminate a student's enrollment.
3. The school will make every effort to communicate with us and the host family about any discipline issues that arise in the school. We give the school the authority to appropriately discipline as per school policies and rules.
4. We understand that Pope John Paul II High School is a Catholic college preparatory school. Religion is a required course for all students regardless of their religious beliefs, as is attendance and respect given during all school events including religious services. We acknowledge that this is a requirement to attendance.
5. We understand that the host family provided for our student will have appropriate home rules and requirements. Our student must follow the house rules and willingly participate in family activities, chores etc. to truly experience living within the American culture.
6. We agree to pay all tuition and fees as explained in the Tuition and Fees document. Failure to provide funding in the agreed upon contract may result in a loss of F-1 visa status.
7. We agree to pay for any damage caused by our student.
8. We give our permission for our student to take part in any school activity including but not limited to field trips, athletic events, activities and competitions. We absolve the school of liability or injury to our student during these activities. This does not release the school from liability for any gross negligence or recklessness.

We have read the above parental agreement and fully understand and agree to comply with its provisions.
